### **The African American Men of Westchester, Inc. (AAMW) Announces its New Leadership Team**

**Westchester, NY May 30, 2023** – At its May 6, 2023, Annual Meeting, The African American Men of Westchester (AAMW) announced the organization has voted to install their new Executive Committee and Board of Directors to take effect on Thursday, June 1, 2023.

In keeping with the organization's mission of the advancement of all residents in the County, these individuals will serve as the organization's new leadership, including **Chairman of the Board and President John Tuller, Vice President Hugh Marriott, Treasurer Wiley Harrison, Assistant Treasurer Tom Grayman, Corporate and Recording Secretary Miguel Constable, Assistant Secretary Bernard Thombs, and General Councils Doug Dixon and Eon Nichols.**

The organization is eager to start working on its new initiatives that focus on developing and encouraging collaborative action to strengthen our communities' economic, social, and educational foundations.

"I am deeply honored to work alongside this exceptional group of experienced and determined individuals. Each brings unique perspectives and expertise with a track record of successful organizations in their field. Besides their impressive leadership, innovative thinking, and passion for our mission, they bring an outstanding mix of leadership, operational experience, and technical expertise," said John Tuller.

As AAMW continues to grow and expand its services across Westchester County, the organization will be able to provide services and opportunities to the County's constituents in various communities, particularly those that are generally underserved. "This new Executive Team is cohesive and knows how to get things done. We look forward to continuing to make a difference across the County in the most meaningful and impactful way possible." said Hugh Marriott.

The African American Men of Westchester have a long, proud history of service in Westchester County, and the organization is committed to the success of its mission.

### **About AAMW**

AAMW has been a cornerstone of the Westchester community for 36 years and is comprised of volunteers representing diverse professions who live and work in communities throughout the county. With their vast skills and interests, the members share their zest for knowledge and a spirit of fortitude to inspire the next generation of leaders. Thousands of lives are transformed by their work. They provide scholarships and organize programs that teach youth, women, and families the

importance of education, discipline, teamwork, social etiquette, environmental responsibility, and the benefits of a healthy lifestyle.
